Sub.: Request for transferring the existing AAI "Custodianship" of International Cargo at Chennai Airport into the new name "AAICLAS" (Airports Authority of India Cargo Logistics and Allied Services Company Limited) – reg.

Sir,

As you are already aware that the Custodianship of Air Cargo at Chennai Airport has been bestowed with Airports Authority of India (AAI) since 1978.

2. In order to develop Air Cargo & Logistics activities further, the Ministry of Civil Aviation has taken a decision to create a 100% subsidiary company of Airports Authority of India with the name "AAICLAS" (Airports Authority of India Cargo Logistics and Allied Services Company Limited). The new subsidiary of AAI shall be concentrating with activities of infrastructure development and business development in respect of Air cargo and logistics related areas on a pan India basis for AAI controlled Airports and all the officers will be from the AAI existing team.

3. In view of the above decision, it is felt appropriate to change the existing Custodianship of AAI in the name of "AAICLAS" which is 100% subsidiary.

4. Therefore, it is requested that kindly change the Custodianship of Air Cargo at Chennai Airport in the name **Airports Authority of India Cargo Logistics and Allied Services Company Limited (AAICLAS)**.

Thanking you,

Yours faithfully,
