### EXPORT ASSESSEMENT & EXAMINATION

#### NOTE

SUB:	Extending of Single Window Interface for facilitation of Trade(SWIFT) to Exports- Filing of Shipping Bills in advance to avoid delay for approval by Wild Life Crime Control Bureau (WCCB)- Reg.
------	--

SWIFT has been introduced for Exports in Air Cargo vide Cir. No. 01/2017-Cus dated 04.01.2017.

Accordingly, Shipping Bills filed online on ICEGATE or the Service Centre will be referred to the concerned agency, namely WCCB, online for a 'No Objection Certificate' (NOC), if any required.

It is ascertained from WCCB that only one Inspector authorised to give NOC is available which may cause delay in clearance of the Export Bills if filed in the last minute of the shipment as the Inspector has been assigned with other regular works relating to WCCB.

To avoid possible delay in getting NOC online, the Exporters of **Leather, Leather Goods and Perishables** are hereby requested to file the bills in advance if possible to avoid last minute delay by WCCB approval.

This is issued in the interest of Exporters.
